If an ECG is indicated, are the results within normal limits for age? **Yes** **No**

Opinion

(Please circle)

1. Do you consider the applicant fit to travel unaccompanied and without assistance to Australia, given it will involve several hours of exposure to a low oxygen environment on the flight, as well as the stress of the journey itself?	Yes	No
2. Do you consider the applicant functionally independent in personal care and mobility?	Yes	No
3. Do you consider the applicant is likely to remain as well as they are now for the duration of requested stay?	Yes	No
4. Do you consider that the applicant will stay fit enough to undertake the long, unaccompanied and unassisted journey home?	Yes	No
5. If you answered 'no' to any of the above questions, please provide an explanation. <hr/> <hr/> <hr/>
